This is the video of Nautam Swami of Vadtal Swaminarayan Sect.

He is praising the ghar wapsi movement of KKP Samaj and active role played by the Sanatanis.

He is personally in touch with Satpanthis at Pirana and it is in his guidance that so called changes in Pirana are taking place.

Though the changes made at Pirana are not upto the expectations of the Sanatani Hindu faction of KKP community, nonetheless his positive praising remarks about the efforts of Sanatanis behind ensuring that the community reverts back to original Hindu religion are worth noting.
